Greetings:

Due to increased business costs, AOWC will need to make some changes to our PEMF pricing. Starting August 1, 2024, we will be instituting the following changes.

- Price increase per massage:
 - Add-on Session, \$20.00
 - Individual Session, \$40.00, \$25.00 for the next session within a 10-day period.
 - Monthly Package, **FIVE** sessions per month, \$125.00
 - Monthly Package, Unlimited sessions per month, \$600.00 (when we are open)
- The billing cycle will be monthly when you sign up.
- With the five sessions, one can be rolled over to the next month.

We are entertaining a few ways that will help facilitate the billing process. Please be patient with us as we navigate this process. I appreciate your commitment to AO Wellness Center and me.

If you have any questions, don't hesitate to get in touch with the office by phone or me by text.

Best Regards
